INTERNSHIPS & JOB OPPORTUNITIES

**Americorps Student Success and Outreach Coordinator**

The Cal Poly College of Engineering is committed to creating an inclusive college culture where our actions and policies support equitable success and where everyone is valued for being their own unique self. We are looking for someone who is excited about helping us implement this bold vision. The Cal Poly College of Engineering educates over 6000 engineering students enrolled in 14 undergraduate and 10 graduate degrees through an applied to Learn by Doing approach to education. Students participate in more than 80 college clubs and activities. This role is part of the CSU STEM VISTA program. As a member of this cohort, you will take part in a learning community of VISTAs across the California State University system. Our one-year program is designed to promote your growth professionally and personally as you create and enhance programs for STEM students and students enrolled in STEM Teaching credential programs. All projects within CSU STEM VISTA are focused on eliminating race, class, and gender disparities in STEM undergraduate graduation rates and STEM Teaching credential programs. You will be trained to utilize sustainable, asset-based approaches that engage students of color, students from low-income communities, and students who are the first in their families to attend college.

For more information, click here.

**Lumina Alliance Upcoming Training**

Lumina Alliance will host a **65-hour training from July 11th to August 29th**. Those who participate and complete this training will become **State Certified Peer Crisis Counselors** and will be able to volunteer on our crisis phone line to support survivors of Intimate Partner Violence and Sexual Assault. Training is held hybrid, in-person at our SLO office or through Zoom. The training will be held Tuesdays and Thursdays from 5:30 pm to 8:30 pm and from 10:00 am to 1:00 pm on Saturdays.

**Internship Opportunity at Cal Poly Center for Innovation and Entrepreneurship**
Message from Emily Olstad:
My name is Emily Olstad, and I'm a 4th-year M.A.S.T. minor. I work at the Cal Poly Center for Innovation and Entrepreneurship as a social media and videography intern, and we're currently in the process of looking for new interns for when my cohort graduates this year. I wanted to share the job listings in the next STS newsletter, as I believe these positions would appeal to many students in the program.

Here are the job listings on Handshake:
- PR and Digital Marketing Intern
- Videographer Intern
- Graphic Design Intern

These are open to first, second, and third year students. Please don't hesitate to let me know if you have any questions at eolstad@calpoly.edu

Research Integrity through a Diversity, Equity, and Inclusion Lens Certificate Program

As part of efforts to re-focus Cal Poly’s research integrity and compliance programs to emphasize how policy and procedures related to integrity have been put in place to address issues of inequitable research practices, Research Integrity and Compliance is going to be offering a certificate program for students in Winter and Summer quarters. The certificate program will be a hybrid program involving some minimal readings, videos, and cross
disciplinary interactions between students as they discuss their projects and equity and diversity within their research and would meet bi-weekly. This first year will also be offering participation stipends to students of at least $150.

If you have students who may be interested, please forward this information along.

We are also looking at providing a version for faculty, although that version may be compressed into a few 2 or 4 hour sessions, or one or two 8 hour sessions.

If you or any of your students are interested, we have an interest collection form so we can directly contact interested folks.

Engineers Without Borders

The Engineers Without Borders Kenya Team is starting a project to aid the market community of Masogo near the Kenyan city of Kisumu with a proposed water distribution project.
