

# Student Affairs Strategic Plan Implementation 2014-15

-  Moving Ahead
-  On Hold
-  Progress Report
-  Initiative Success

## Strategic Initiatives TrackMEET

#	Goal/Initiative	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun
<b>1</b>	<b>Build a Culture of Excellent and Innovation</b>												
1.1	Expand the Student Affairs Assessment and Research infrastructure												
1.2	Collaborate on the campus-wide Master Plan to include space needs for effective Student Affairs program delivery, including student spaces												
1.3	Develop a progressive approach to campus dining that supports health and wellness needs for our entire campus community												
1.4	Develop a comprehensive professional development curriculum for our division												
1.5	Design and implement a consistent staff orientation and onboarding program with resource toolkits to be implemented for all Student Affairs departments/programs												
1.6	Collaborate with campus Information Technology Services (ITS) to design and execute technology solutions that address key business priorities for Student Affairs, including, information access/collection, events management, workplace support, communications, assessment and delivery of services												
<b>2</b>	<b>Enhance Campus Life and Student Success</b>												
2.1	Bolster efforts around student care management to include expansion of the Dean of Student Office role in support of a wide range of student crises												
2.2	Expand participation in Soar orientation programs by offering block scheduling												
2.3	Create a model for a cross-cultural center that helps Cal Poly enroll diverse students and facilitates their successful degree completion												
2.4	Develop a unified approach to wellbeing on campus, including the visioning of appropriate facilities												
2.5	Develop successful party registration and management practices for clubs, organizations, fraternities and sororities												
2.6	Implement and evaluate effectiveness of Cal Poly's response to off-campus violations that impact a student's health, wellness, and academic success												
2.7	Develop a campus-wide approach to student leadership development that complements what exists in segmented areas around campus												
2.8	Create programs to engage students their first year to help promote retention and achieve career goals, clarify major selection, develop career objectives, and create career development plans to help improve graduation rates												
2.9	Expand Career Services to increase access to services, offer extended hours, and bolster programs and support for each academic college												
<b>3</b>	<b>Engage Partners to Ensure our Future Success</b>												
3.1	Create a Student Affairs Advisory Council to help realize the vision of Student Affairs												
3.2	Design and deliver commencement ceremonies to celebrate students' achievement and continue a meaningful bond with Cal Poly after graduation												
3.3	Solidify the partnership with University Advancement around our shared contributions to improving parent relations and giving
