### Meeting Notes, Decisions, Issues

- I. COVID testing compliance presentation: COVID-19 Ongoing Testing Program slide deck presented. Presidential Order requires increased frequency of testing, broadened student population, as well as sanctions if testing is not followed. Enforcement begins spring term, March 29<sup>th</sup>. COVID-19 Info My Portal tab presented; the intention of this tab is to be a one stop shop for all things COVID. (Q) Who makes the decision on the exemption policy specifically the vaccination exemption? This follows county public health guidelines. Campus Health & Wellbeing would be the contact for further discussion on this exemption. (Q) What is the communication plan? This week there is an email announcement that will go to the entire campus (students, faculty, staff), it will be followed by many similar meetings to what we are doing today, portal announcements, social media; the committee has been urged to report this info back to their college. Any suggestions for additional communication efforts can be sent to Yukie Murphy ([yumurphy@calpoly.edu](mailto:yumurphy@calpoly.edu)) or Bret Heenan ([bheenan@calpoly.edu](mailto:bheenan@calpoly.edu)). Copy of the slide deck will be sent to the group.
