1. STAY IN TOUCH WITH KARI & MELISSA

We want to help you but neither of us can read minds (yet). Talk to us. Text. Call. Log into our online office hours. Come to After School and Saturday Sessions. Schedule quarterly Academic Advising appointments. Email anyone?

2. USE OUR GOOGLE CLASSROOM

Feeling frustrated? Left out? Alone? Uninformed? All of the information we have is right there in the classroom, waiting for you. Plus, if you answer the questions you get the chance to win cool prizes. Wooo Hoo!

3. VIEW THE PRESENTATIONS

Every week we go out into the world (well, the internet) and find all kinds of information about going to college. We like your own personal Google search.

4. LET US HELP YOU

Turn in your grade checks - every month. We're not your mom, we won't ground you or take away your phone. We'll help you get help if you need it or just give you a scary look if that works for you. Plus, if you're doing well, we will do a happy dance with you. Don't dance alone. Let us join you.

5. DO THE CPP

What if there was a book that would tell you everything that you need to know to get to college? Wouldn't that be amazing? Oh ya...there is one. It's the College Prep Program. It's dangerous to ignore it.

6. DON'T WANDER AIMLESSLY, LOOKING FOR TUTORING

Grades falling? Don't get tripped up on your schoolwork. We have resources for you - either online, by the phone or in person.
