Appendix 2.2: Student Success Guiding Principles
Student Success Guiding Principles

- Student’s path to graduation should be transparent, flexible and as simple as possible.
- Students should be treated equitably through the consistent application of policy.
- Students should have university-wide support in reaching success regardless of their affiliation(s).
- Students deserve communication in a timely manner.
- Upon admission to Cal Poly, students should have a clear understanding of the expectations being placed upon them.
- Policies and procedures should support the student’s learning experience.
- Continuous review of our policies and practices should be performed regularly.
- Policies and practices should promote quality programs and efficient use of resources.
