**Job Title**

Cellar Internship - Custom Crush Winery

**Company Name**

Artifex Wine Company

**Location**

Walla Walla, Washington

**Company Description**

Artifex Wine Company is a custom crush winery centered on client-driven winemaking. Clients provide complete winemaking instructions, while Artifex provides the equipment, staff, in-house laboratory analysis and standard operating procedures. Under the careful direction of client winemakers, each wine is crafted to the exact specifications and style of the brand.

**Job Description**

Artifex Wine Co, the leading custom crush winery in the Walla Walla Valley, is seeking Interns to join our 2018 Harvest Team. A Custom Crush Internship at Artifex teaches the balance between boutique winemaking practices and large-scale production. Here, you have a unique opportunity to train with our experienced team and to work among some of Washington's best winemakers. Through hands-on guidance, you are exposed to diverse approaches to wine production and complex cellar logistics. We are looking for reliable, self-motivated people who want to fully immerse themselves in harvest. Job Duties -Learn and follow Standard Operating Procedures -Press Operations -Crush pad operations -Barrel work -Detailed wine movements Job Qualifications - Must demonstrate forethought and work efficiently -Previous cellar experience or education in Enology preferred -Previous forklift experience preferred -Candidates must be able to participate in and pass the Artifex Forklift Certification Course --Work long hours on your feet in a fast paced environment -Ability to lift and carry up to 50lbs -International applicant must obtain a J1 Visa through CAEP.org or EXPINT.org

**Job Type**
