Job Title

2018 Harvest Internship

Company Name

Tooth and Nail Winery/ Rabble Wine Company

Location

3090 Anderson Rd, Paso Robles

Company Description

Rabble Wine Company was founded by Rob Murray in 2011. The company encompasses four brands; Rabble, Tooth and Nail, Stasis and Amor Fati, all of which are crafted at our winemaking facility located on the West Side of Paso Robles. Our grapes are sourced from our well-known vineyard sites, both in Paso Robles and in Santa Maria showcasing the best varietal characteristics that the Central Coast has to offer. Our close-knit winemaking team is dedicated to producing world class wines, while maintaining a fun work environment and fostering a positive company culture.

Job Description

The internship involves hands on experience in all aspects of winery cellar operations. Our preferred candidate will have at least one previous harvest experience and a general understanding of winemaking processes. A good attitude and a sense of humor goes a long way. General tasks include but are not limited to: -Supports full time cellar and winemaking staff -Performs routine pumpovers, punchdowns and additions -Upholds all SOPs for equipment operations and sanitary practices -Assists with processing fruit, grape sorting and operating presses - Barrel cleaning, filling, racking and topping -Ability to lift and carry 50 lbs. and stand for long periods of time - Willingness to work overtime and on weekends -Forklift experience preferred -Reliable transportation -Ability to read, write and speak English
