**Job Title**

Harvest Winemaking Assistants

**Company Name**

ONX Wines

**Location**

Paso Robles, CA

**Company Description**

At ONX winery, we specialize in blends off our west-side estate located in the coveted Templeton Gap AVA, as well as provide custom crush services for a handful of local premium brands. Interns will join our small, four-person production team in processing small, premium lots over the course of the vintage and be exposed to all facets of the winemaking process.

**Job Description**

ONX Estate Wines is looking for experienced, hard-working, and detail-oriented interns to join us for the 2018 harvest at our Tin City Winery. This will include (but not be limited to):

- Crush-pad and sorting-line operations
- Fermentation management (i.e. pump-overs and punch-downs)
- Barrel work (topping, filling, racking, cleaning, etc)
- Sanitation (Make it sparkle)
- Sampling (in cellar and vineyards)
- Wine and must additions
- Participation in on-site benchmark tastings, lot evaluations, and blending trials.
- Laboratory analyses
- Bottling prep and bottling line operations

Candidates must:

- Have a general understanding of fruit processing and fermentation
- Have one year of harvest cellar experience (preferred), but we are willing to train the right candidate
- Possess great attention to detail
- Work well as a team member
- Be available to work from approximately early August through mid-December (possibility to work through a bottling in late December).
- Be dependable and flexible to work overtime and weekends during the peak of harvest.
- Have a local living situation established. Please, no International inquiries. We will not accept resumes from candidates outside the US.
- Be prompt and show up to shifts on time.
- Have a clean DMV record and a current driver's license as well as a reliable form of transportation.
- Possess or be willing to develop a love for South Park quotes

While performing the duties of this job, the employee is frequently required to do the following:

- Walk, kneel, bend and stand for prolonged periods
- Climb stairs
- Lift and/or move up to 60 lbs
- Work in both cool cellar temperatures and warm Paso Robles outdoor temperatures/conditions
- Navigate steep and uneven vineyard terrain for sampling

ONX Estate Wines, LLC is an equal opportunity employer.

**Job Type**

Harvest Intern

**Pay Range**

DOE

**Start Date**

August 2018

**End Date**

December 2018
