Job Title

Summer Viticulture Internship

Company Name

Results Partners LLC

Location

McMinnville, Oregon

Company Description**Job Description**

RP North is looking for summer interns to assist with crop estimating, scouting, viticulture practices, and production work. Our offices are based in McMinnville and we manage vineyards throughout the Willamette Valley. This is a great position for viticulture and enology students looking to get some hands-on vineyard experience before returning to school or moving into the winery for harvest. Duties and Responsibilities • Collect yield data: number of shoots, number of clusters and cluster weights • Monitor and record phenologic stages/dates • Collect petiole and leaf blades for nutritional analysis at veraison • Monitor for pests and diseases • Assist in the creation of scouting reports • Enter spray work order information into record keeping spreadsheets • Take pressure bomb readings in irrigated vineyards • Assist in setting up and evaluating vineyard trials • Assist with vineyard production work as needed

Job Type

Seasonal - Full Time

Pay Range

DOE

Start Date

June 18th, 2018

End Date

September 2018

Other Information

Qualifications • Ability to work as a dynamic and contributing team member in a fast-paced environment • Previous farming or vineyard work experience • Ability to work independently • Must be able to work long days outdoors in variable weather conditions • Excellent communication skills; can communicate effectively in English, Spanish speaking skills a plus • Strong organizational and problem-solving skill; ability to manage priorities and workflow • Must be computer literate, with proficiency in Microsoft Word and Excel • Must have a good driving record, dependable transportation • Must work long hours as required • Ability to lift 40 pounds
